

MICHIANA MID-RANGE USERS' GROUP

(www.MRMUG.org)

Thursday April 8, 2010

Meeting begins at **12:00 noon** (South Bend Time); lunch will be furnished by CIBER.

Topic: IT EDUCATION

Tim Ryan is the Director of Business Outreach and has been with IU South Bend since November 2008. He is a graduate of IU South Bend's School of Business with a degree in accounting.

Tim has lived and worked in the South Bend area since graduation interacting with many businesses in the region. His background includes over 13 years experience in career management/counseling and over 20 years experience in both accounting and operations positions in manufacturing environments. He is a CPA and has experience in manufacturing as General Operations Manager, Controller and as Chief Financial Officer.

Tim's responsibilities include strengthening existing business relationships with IU South Bend's corporate training partners as well as developing new relationships with businesses in Michiana identifying and serving their training and professional development needs. In addition to serving as a liaison to businesses, he also participates in community based organizations where he has developed long standing relationships in the Chambers of Commerce, school systems, healthcare and government agencies.

Meeting Location

CIBER

4100 Edison Lakes Parkway - Suite 240
Mishawaka, IN 45645

Please let one of the Board members know if you would like to be on the Board of Directors.

Beginning with the March meeting: all members who register BEFORE noon on Wednesday will be entered into a drawing to be held at the end of the meeting for a \$10 door prize.

NOTE: MRMUG is now a member of Common. Annual dues of \$50.00 help cover the cost of MRMUG's membership.

iSociety is a community of websites, chatrooms, blogs, organizations, individuals and businesses that use the System i; it includes small and large users groups, news organizations, forums and students. <http://isociety.common.org/>

We need speakers and ideas for our meetings. If you know someone who will speak to our group, contact any of the board members. This organization is about sharing knowledge; forward this newsletter to anyone you think is interested in computer related topics.

Please register on the MrMug website (<http://www.MRMUG.org>), call or e-mail Kathy Rogina with your reservations BEFORE noon on Wednesday, April 7, 2010.
