

MICHIANA MID-RANGE USERS' GROUP

(www.MRMUG.org)

Thursday March 11, 2010

Meeting begins at **12:00 noon** (South Bend Time); lunch will be furnished by CIBER.

Topic:

The topic for the Thursday March 11th 2010 meeting is IBM February 25th POWER7 Announcement:

Stephanie Thomas and Craig Nelson will be discussing the February 25th IBM POWER7 announcement.

Find out about the latest IBM POWER7 technology and first of the NEW generation of Power Systems.

Learn about the new features available with POWER7 (and the limitations for bringing across older technology features).

Hear about the great POWER7 value proposition, and find out how green these new system are!

It isn't all about the power of these systems (although it's awesome)! Come to the meeting and get the whole story!

Presented by:

Stephanie Thomas
IBM Power Systems Hardware Specialist
and
Craig Nelson
CIBER, Senior Solutions Architect

Meeting Location

CIBER

4100 Edison Lakes Parkway - Suite 240
Mishawaka, IN 45645

Please let one of the Board members know if you would like to be on the Board of Directors.

Beginning with the March meeting: all members who register BEFORE noon on Wednesday will be entered into a drawing to be held at the end of the meeting for a \$10 door prize!

(must be present to win)

NOTE: MRMUG is now a member of Common. Annual dues of \$50.00 help cover the cost of MRMUG's membership.

iSociety is a community of websites, chatrooms, blogs, organizations, individuals and businesses that use the System i; it includes small and large users groups, news organizations, forums and students. <http://isociety.common.org/>

We need speakers and ideas for our meetings. If you know someone who will speak to our group, contact any of the board members. This organization is about sharing knowledge; forward this newsletter to anyone you think is interested in computer related topics.

Please register on the MrMug website (<http://www.MRMUG.org>), call or e-mail Kathy Rogina with your reservations BEFORE noon on Wednesday, March 10, 2010.
